## A MESSAGE FROM OUR PRESIDENT:

### JEARLENE MILLER

Greetings! I am pleased to serve as President of the Irving Heritage Society during 2020 – 2021. We will work diligently to build on what the previous administrations have done to further the mission of the Society. Due to the pandemic, we are having to reimagine the ways

in which we do things. We are pleased that the board of directors has embraced the Zoom platform, which allows us to virtually take care of business. Zoom enabled us to have our installation of officers, meet monthly, and conduct our board orientation.

We appreciate your patience as we all adjust to new ways of doing things while sheltered-in-place. Look for invitations for future membership engagement. If we are not able to have our Valentines Tea at the Heritage House, you just might receive an invitation to a virtual Valentines Tea!

Among my goals this year are: (1) growing our membership base, (2) developing a speakers' bureau to "Tell the Irving Heritage Society Story," (3) update our website, and (4) develop a virtual tour of the Heritage House and Mary's Play House. We solicit the membership's suggestions and support in achieving these goals as well as other suggestions you have for staying connected during this unprecedented time.

I am enjoying working with the dedicated officers and directors, committee chairs, and liaisons and I appreciate their support. We welcome our new additions to the board who have hit the ground running. Stay Safe!

### MAY GENERAL MEETING:

The general meeting held via Zoom on May 17 was a first for Irving Heritage Society. The business meeting included a look back at the many activities of last year by President Linda Wood Shotwell. An election of the board was held with Jearlene Miller selected as the incoming President. Irving Community Television Network Producer and Anchor, Cathy Whiteman, conducted the installation. Our normal ice cream social was not able to be held but it was good to be able to "see" the faces of our members during this unique meeting.

Cancelled until further notice.

At this time, we do not anticipate any Heritage Society activities until the first of the year except for board meetings, currently via Zoom. While we had hoped to hold a fall fish fry in conjunction with a special event at the Irving Archives and Museum, due to current COVID-19 conditions, the fish fry has been rescheduled until next spring.

We will continue to assess the situation and make any future adjustments when necessary. It is our sincere hope that all of you are staying well during this challenging time in history.
